March Meeting Highlights

Steve called the meeting to order. The minutes from the February meeting were approved as written.

Jeanette gave the treasurer's report for Don Barnes. In February the club received \$60 in membership dues, \$33 from the raffle, a \$3 donation, and \$195.71 toward the cost of the tool steel. Expenses included \$222.19 to Carol for the tool steel leaving a balance of \$2,907.48. The treasurer's report was approved.

Lin distributed a sign-up sheet for the County Fair and reviewed the guidelines: two-person, two-hour shifts; demonstrators must be AAW members, helpers do not have to be. She will have Home Depot kid's workshop kits to give away and Jeanette will have brochures with information about the club. She asked that teams arrive 15 minutes before their scheduled demonstration time. We will use the club lathe.

Don Baker reported that he had received no response from Tia Flores who was asked about giving the pyrography demonstration.

It was confirmed that the club has the display case in the East Flagstaff Community Library for the month of June. Lin suggested including Bob's "over the top" along with some smaller tops to sell.

Rebecca said she was waiting to have all the items we wanted to submit for display/sale at the Abineau Lodge

before she took any out to the lodge. Lin brought two wine goblets to be finished that could then go to the lodge. Rebecca said there also was interest in small bowls.

Jeanette asked if the club was interested in having workshops for kids again this summer. There was interest in having three workshops over the summer, one each in June, July, and August, contingent on Carl and his lathes being available. It was decided that there would be only one workshop per day and it would be in the afternoon. Mike said he would contact a friend with the Boy Scouts to see if they would be interested in a workshop and Rebecca said she would contact the Family Help Center to see if we could do a workshop at their site.

The Bakers distributed a list of tools for sale from the estate of former member, Rollie Allen. Anyone interested should contact the name at the corrected number on the top of the list that was emailed to everyone.

Lin asked if the club was interested in subscribing to *Woodturning Magazine* for an annual subscription rate of \$60. The club voted to use funds from the treasury for a year's subscription to add to the library.

Be sure to check out Bob's magnificent large segmented top on page 2. The photo doesn't do it justice.

The Peaks Woodturners is a chapter of the American Association of Woodturners. The purposes of the Peaks Woodturners are to (1) provide a meeting place for local wood turners, (2) share ideas and techniques regarding woodturning, (3) trade woods, (4) exchange ideas about tools, and (5) educate and foster the art of woodturning. Membership is open to anyone interested in woodturning.

Meetings take place on the second Tuesday of the month and begin at 6:30 p.m., unless otherwise posted. The location is 3503 West Kiltie Loop in Flagstaff.
